

Summer 2009

Hello Everybody,

Our summer session is well on its way. Thanks to all of our families who have come out of the heat to enjoy some music with us.

We are going paperless! Please send an email to kcmusictogether@comcast.net from your current address so we can update our address book! We will be doing a test run for the fall newsletter. If you still want a paper copy, please let us know. We will only print a limited number of newsletters.

We are excited to announce the opening of two new sites for the Fall Semester: Kol Ami in Elkins Park and Addicted 2 Dance in Ambler. Kol Ami is a synagogue in Elkins Park located on High School Road. There is ample parking and we will have our own entrance. This location will close for the high Jewish holidays because the synagogue is closed and the classes that are effected will be extended a week. There is a lot of room to run on the grounds after class if you don't want to go straight home. The room will not be air conditioned, but we will have fans. Miss Heather, Miss Jen and Miss Clare will be teaching there. Addicted 2 Dance is located in the heart of Ambler at 15 Cavalier Drive right off Butler Pike. The room is very large with mirrors everywhere. There is a parking lot at the end of Cavalier Drive with meter parking. It is 50 cents/hour to park in the lot. We will be offering classes just one day a week for now. Miss Allison will be teaching there on Thursdays.

If you would like to see our new locations and try a class, we would love to have you at any of our open houses. Open Houses for Kol Ami will be with Miss Heather on Monday, August 31st at 9:45am and 10:30am; Miss Clare will offer 9:30am and 10:15am on Tuesday, September 1st and Miss Jen will offer 9:30am and 10:15am on Wednesday and Thursday, September 2nd and 3rd respectively. Miss Allison will run 2 Open houses on Thursday, August 27th - 10am and 10:45am. You must register if you are interested coming to an Open House!

We have lowered our prices! Tuition will be \$185 for the 10 week fall semester which begins on Saturday, September 12th and \$40.00 to add the 3 week holiday semester. We look forward to doing music with you again in the fall!

NEW this FALL!!!
Kid Fitness and Food Classes...

Hello everyone!! Kristen here...I would like to introduce you to a new program I have created for this fall semester. I am calling it "Kid Fitness and Food." As some of you know, I have personally gone thru quite a transformation over the past year. During this journey, I have realized the importance of exercise and nutrition as a way of life not just for myself but for my family as well. I am trying to convey this message to my own children by modeling for them the importance of exercising and eating well. I recently attended the AAI/NMIS conference this past June in Atlantic City and became certified in Sports Nutrition Consultation and Kid and Teen Fitness. I am combining these certifications to create our new program.

This program will run 10 weeks for one hour each week on Tuesdays from 4:30-5:30pm for children 6-9 years old. We will work on different fitness activities at The Bodyworx and we will discuss the importance of being physically fit as well as our own nutrition discussions. We will also take 2 field trips to the Willow Grove Giant, around the corner, for nutrition classes. In class we will be discussing the new food pyramid, cooking and tasting healthy snacks, food scavenger hunts, portion control (parents are encouraged to attend this one), reading the labels of some of our favorite foods.
